By Assistant Alderman O'BREEN—Whereas, important considerations connected with the public health of this city having required the Board of Health to close the buildings in Canal and Centre streets, used by the Commissioner of Emigration for the reception and temporary accommodation of emigrants; and, whereas, in consequence thereof hundreds of unfortunate, destitute and sick emigrants are scattered throughout the city, without food or shelter, and dependent alone on private charity; therefore, be it

Reselved. That a committee of five be appointed from among this beard to report on the proper means to be adopted for the protection of the emigrants, and report to this board without delay. To Committee on Public Health.

Health.

By some—That it be referred to the Committee on Swerz, to examine and report as to the expediency of constructing a sever in Madison street, from Catharine, to connect with sewer in Oliver street. Adopted. The board then adjourned to Wednesday afternoon, at six o'clock. From the minutes.

EDWARD SANFORD, Clerk.

United States District Court.

Account 8—The Court was opened this day for the August 8—The Court was opened this day for the August term. Some returns of princess were made and reports of Commissioners confirmed There being an other business resoy the court adjourned to 11 o'clock this day, (Wednesday.)

BOARD OF ALD

| Statistics in relation to the expenditures of the different departments of the city government, was received:—
| AFPROFRIATIONS, EXPENDITURES AND RECEIPTS, FROM JANUARY 18T TO AUGUST 18T, 1852. | Appro-Expenditures, city of April 1852. | Appro-Expenditures, city of Expenditures, city of Expe

red back to the committee.

A motion was made that the Board adjourn to the first
Monday in September next, which was carried unani-

Monday in September next, which was carried unanimously.

BOARD OF ASSISTANT ALDERMEN.

The President in the chair.
On the reading of the minutes, and the usual motion for their confirmation. Mr. McConnex rose to object to the confirmation of the minutes, inasmuch as that his vote on a division of the motion respecting the Eighth Avenue Railroad had not been counted.

Mr. Manaart considered that the decision of the Chair on the question on the previous evening, was conclusive, and that it could not be re-opened.

The Passipher was of opinion that, although be had amounced the decision as given by the Clerk, it was stall competent for the gentleman's vote to be entered on two records. The President therefore entertained the motion. Mr. Barrier, said be would appeal from the decision of the President. The previous action was final, and h-would call for a division on the present motion. A division being taken, there appeared nine in the negative and seven in the affirmative. The motion was therefore lost.

On the motion of Mr. Manaart, the minutes of last.

proceedings were confirmed, by a vote of 13 to 4.
Mr. Baranes moved that, when the Board adjourn, tadjourn to the first Monday in September. A division was called for, and the motion was carried, by a vote of

was called for, and the motion was carried, by a rote of a mine to eight.

Mr. Woodward moved for a reconsideration of the vote. The PRESIDENT said that the gentle man, having voted in the minority, could not make a motion for reconsideration (A laugh)

Mr. Magnarr, after a brief interval, moved the reconsideration of the vote to adjourn to the first Monday in September as there were a great many papers to be disposed of. On a division, the reconsideration was carried, by 11 to 6.

11 to 6. The motion to adjourn to the first Monday in September

The motion to adjourn to the first Monday in September was then isid on the table.

It was then noved that the Beard now adjourn until to migrow evening, which motion was lost.

Alderman O'Bries said that in consequence of important considerations connected with the health of the dity, the Board of Health had been obliged to close the emigration buildings in Canal and Centre streets, and that bundreds of poer emigrants are thereby destitute, and found night after night, scattered throughout the city siek, and without food or shelter, depending alone on the chance charity of private individuals. He moved a resolution to the effect that a committee from this Board be appointed for the purpose of repersing the best means to be adopted for the protection of emigrants.

Laid on the table. The Board adjourned to Wednesday (this) evening.

City Intelligence.

Pic Nic Execusion and a Row.—Vesterday afternoon a company of young men, called the Fanning Guards weat on a pic nic execusion to Youkers. After they had got through their visit, and just as they were preparing to emback on board the steamer William Young, to return to the city, some disturbance arose between a put of the company and some workmen in the curpenters' shop o Mesers Robinson & Clough, it appears that a boy in the shop three out a piece of board, which hit one of the Fanning beys. The party thought the board was three yn purposely, and an altercation ensued, which ended in a regular knock down and drag out operation, in which at least a dozen were concerned. Stones and brickbate were thrown and the windows of the shop were demolished. There were no arrests reported.

Chamsen or Commence.—This Board met yesterday.

There were no arrests reported.

CHAMBER OF COMMERCE —This Board met yesterday, but did not transact any business.

THE WEATHER.—The thermometer in the Herald Building ranged as follows yesterday:—At twelve o'clock 78 degrees; at three P. M., 73% degrees. At ten minutes past twelve we had rain, which continued, with more or less intensity, up to, a quarter past one o'clock. The showers were planotary, and the sir was syldently charged with electricity.

DLANGOSPHERICAL MACHINE FOR CRUSHING,
A Gribeing and Pulverbies, recently patented in whice
country and in Europe. Cochron's Planocompanional Quotes
cruching and Pulverbies Machines, of various size. Gran
two to ten fact in diameter, and weighing from two hundred
peunds to ten none cach, are new in dayly operation for the
inspection of the public, and will be submitted to any
reasonable practical tests proposed by parties interested.
These machines, by their simplicity of construction, their
durability, the undurbated principles upon which they
operate their effective operation and results, are justly entisled to the consideration of all parties engaged is grindorge crushing and outvertising quartz zine ore, and sil other
orse or mineral substances. It is the prouding feature of the
scene my of these machines that they are found capable of
cruching and pulverting into the finest powder say amounts
of quarts or other earthly matter in propertion to the
amount of weight or power applied. The carboly matter is
completely recund and pulverines, that the gold may be
easily separated and subjected to any process of annalgamation that may be necessary. The machines work and neiver wet or dry, as may be required and run with tistle
riction. (being sinost without machinery) requiring an
lubication; the principle unon which they operate predicted
the persibility of their being pulveriend. They are at once
applicable for any purposes of arinding and endverting, from
those required by the druggist to those of the mat axxes
also operations at Gairding and and very ing, from
these retrieval costs, the very subject of such Eighth excess rising, heretofore offered to the public. These machines may
be seen in operation at foot of Seeth Eighth excess viliamabure, at the large pa one block and from to 6 Pt.
